EXPLANATORY NOTE

The Foreign Service List, issued quarterly by the Department of State, is compiled as a basic aid for personnel in the Department of State and the Foreign Service, for other Government agencies, for other governments, and for groups outside of government having need of this information.

Personnel listed include the following: all chiefs of mission; all Foreign Service officers; all Foreign Service Reserve officers; all Foreign Service Staff officers of class nine and above; all Technical Cooperation Administration officers of class nine and above; certain Foreign Service Staff officers of classes ten, eleven, and twelve only when assigned to posts with a complement of one, two, and/or three officers; and a special section furnished by the Mutual Security Administration.

The January issue of the List includes the posts of assignment, the consular districts, the tariff of Foreign Service fees, the index of persons, and the geographic index.

The April, July, and October issues include the posts of assignment and the two indexes. One of these three issues each year, beginning with July 1, 1952, will include a section showing the breakdown by class of certain groups in the Foreign Service.

Only those actions received in the Division of Publications prior to the fifteenth of the month preceding the month in which this List is dated are included. This List is compiled and edited by the General Editing Branch, Division of Publications. Please report to that Branch any necessary corrections.
